

But these Loves  
are topsy-turvy

WEB

Some people make  
their love out of tears.

What is love  
made of?

burning passion,  
hot stuff.

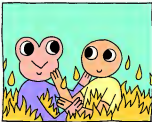

It is a love made of  
shared misery.

# How to LOVE

What is love made of?

Some people make  
their love out of  
a fiery desire,

It is a love made of  
sexy, sexy lust.

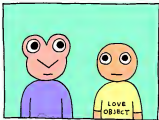

They think Love  
needs to be difficult

made of arguments  
and drama.

and when the  
flames have died down  
and the tears have dried up

there is nothing left.
